DATE: January 5, 2021

PROJECT: Bryker Road Water and Wastewater Replacement

CIP ID: 2231.334

IFB# CLMC831

SUBJECT: Answers to Bidders' Questions

The following are answers to Bidders' questions received on the above project. These answers do not modify the Bid Documents. Any modifications to the Bid Documents will be through an Addendum.

Q-1: Could you please make the Gas Line relocation an allowance in lieu of a bid item? No subcontractor will give a price before bid. They will only price out once the contract is awarded and they are able to observe onsite.

A-1: The Gas Line relocation bid item has been removed from the 00300U Bid Form. If during construction it is determined that any gas lines need to be relocated this work will be the responsibility of the gas company.
